## THE MEMO

*march 27th - april 1st*

- Easter Prep— REMINDER — Buy Easter basket fillers, buy any new special outfit(s) for you (and the whole family) you'll need, and if you're hosting (or just having an egg hunt for your kids), stock up on eggs, buckets and Easter crafts!
- The Masters — If you are hosting or want to enjoy a tradition unlike any other with festive snacks, now is the time to place your orders. We love Callie's Hot Little Biscuit in our house for pimento cheese!
- Home — Check to make sure you have extra HVAC filters. If you're out, place an order for more. It's almost time to replace!
- Home — Schedule your window cleaning! Make sure you book for the end of April or early May, so it's after all the pollen has dropped.

I hope you enjoy this week's checklist — Xx Meg
