THE MEMO

may 29th - june 4th

- Father's Day — Reminder ~ Buy your card(s), gift(s), and wrapping paper. Here is our [Father's Day Gift Edit](#) for the best guys.
- Father's Day — Finalize Your Plans ~ If you're hosting, text everyone to coordinate the details, including the time, location, and what they can bring.
- Graduation — Buy ~ And they're off — We can't forget the high school grads! Make sure you buy your cards and gifts.
- Summer — See an Outdoor Concert — Coordinate ~ What is better than soaking in the long warm summer nights? It's sharing the experience with a few of your favorite friends and family! This week, text your favorites the list of shows you found with the details and make a plan.
- Holiday Card — Hire a destination photographer ~ Consider finding and booking a photographer to take pictures of your family while on your Summer vacation. You'll have photos to cherish for years to come, and (possibly) check your holiday card photos off your list. It's a win-win in our book!

I hope you enjoy this week's checklist — Xx Meg
