THE MEMO

June 17th - June 18th

- Fourth of July ~ Invite Your Guests — Text/call (or send your e-vite) to invite your guests to your Fourth of July party. Tell them the location, the hours, if they can bring anything, and when you want their RSVP!
- Fourth of July ~ What to Wear — Make sure you and your favorites are ready to celebrate AMERICA in style. Buy any new special outfits for you (and the whole family) you'll need. We shared THE BUY: WHAT TO WEAR ON THE FOURTH OF JULY.
- Sleep Away Summer Camp ~ Prepare Care Package(s) — Put together a care package for your kid so they know how much you love and miss them while they are away. Here are 21 Best Camp Care Package Ideas All Campers Will Love
- July Giftings ~ It's birthday replenishment time! Look through your birthday calendar to see who has a birthday in July. Then, buy all the cards and presents you'll need at once, so it's as easy as wrapping or popping them in the mail or delivering them in person on their special day. For cards, we're big fans of Frances.
- Father's Day — Wrap Presents & Write Cards ~ Wrap your gifts, write your card(s) and help your kid(s) make their card for DAD.
