THE MEMO

June 17th - June 18th

- Fourth of July ~ Buy Bike Decoration Supplies — Let's get the biker gang READY. Buy supplies for your minis to decorate their (and their friends -- it's a fun group activity) BIKE for your town parade!! Here is [the ultimate shopping list](#)
- Fourth of July ~ REMINDER — What to Wear — Make sure you and your favorites are ready to celebrate AMERICA in style. Buy any new special outfits for you (and the whole family) you'll need. We shared THE BUY: WHAT TO WEAR ON THE FOURTH OF JULY.
- Fourth of July ~ Research Fireworks — Baby, you're a firework! Time to find the best fireworks and parade near you. Do your research to find the location + times for this year's fireworks and parade this week. While you're at it, text everyone you want to enjoy the 4th with to coordinate the details.
- Kids Activities ~ Fall — Talk to your kid(s) to see what sports and activities they want to participate in this Fall. It sounds early, but the best programs fill up quickly!
- Find The Fun — Make your own homemade ice cream sandwiches ~ It's almost time to make your chipwich! Make sure you add the extra (sweet!) ingredients to your grocery list this week. Need a great recipe? We're big fans of ina garten's homemade ice cream sandwich, this classic chipwich recipe, or smitten kitchen's chocolate ice cream sandwiches YUM, YUM, YUM!
