THE MEMO

June 26th - July 2nd

- Fourth of July ~ Buy Sparklers — Sparklers are such a magical moment with kids (and adults — am I right?) So make sure you order your sparklers and stock your fridge + coolers with all the festive provisions you want to enjoy this year. I had so much fun putting together [a guide on what to look for when buying sparklers](#) and our top picks; I hope you enjoy it!
- Fourth of July ~ Attending a Party — Make sure you wrap and bring your hostess gift to the party.
- Fourth of July ~ Decorate Kids Bikes — Enjoy decorating your little's bikes for the town parade (or just a lap around the block!)
- Kids Sports & Activities ~ Fall — Sign up for alerts/contact the programs directly to learn about open enrollment dates so that you don't miss the window to sign your kid(s) up for the programs they are most excited about being involved in this Fall.
