## THE MEMO

*august 7th- august 13th*

- Back to School ~ Finish Strong — The fun might have worn off, but make sure you finish strong! This week, prioritize finishing your BTS shopping — refreshing their closets and ensuring they have all the essential school supplies. You've got this!
  
- Back to School ~ Book Haircuts — Make sure your kiddos make a great (first) impression! Book their haircuts or pencil when you take them to the barber. We like to book our appointments for two weeks to ten days before the first day of school.
  
- Back to School ~ Find a Project that Fills Your Heart — Get your kids involved and do your research — we love Donors Choose to find a classroom to support near or far. Are you looking for a little extra credit? We also love the idea of picking up a few always-needed supplies for your kid's classroom to show their teachers your support. So we rounded up THE BACK-TO-SCHOOL ESSENTIALS EVERY TEACHER ALWAYS NEEDS.

*notes* —
