

# THE MEMO

*january 8th — january 14th*

- Summer Camp — Enroll Your Kids — Make sure you fill out and submit the registration form for summer camp. We know it sounds a bit wild, but the best camps fill up quickly, so make sure you get your documents in now to avoid having to go on their waitlists (or missing the camp entirely!)
- Valentine's Day — Love is in the air! — Book your dinner reservation and secure a babysitter. It's time to book your reservations to ensure you get a table at your desired spot. OpenTable and Resy are our favorite online reservation tools. While making your reservation, request the best table, a special bottle of wine, etc.
- Martin Luther King Jr. Weekend Getaway — Start Packing — With the current travel delays, we suggest putting your toiletries, anything valuable, and at least one change of clothes in your carry-on in case you need to live without your suitcase for a night.
- Valentine's Day — Valentine's cheer — It's time to pull your bins out of storage and inventory what you have to determine what else you want or need to decorate for valentine's day.
- Winter Break — Choose where you'll stay — Pick your accommodations and book your hotel directly to get the best deals and perks! We're big fans of [Marriott properties](#)
