

THE WEEK AHEAD

July 9th — July 15th

- Amazon Prime Day — Almost time to SAVE! — Prime Day is this Tuesday and Wednesday! Make sure you give yourself the best chance of saving big by doing a little thinking about what you need, so you don't miss out on big savings! We're thinking back to school, electronics, and more!
- Family Photoshoot — Reminder — Do you want to have professional family photos taken during the summer? If so, find a time to get everyone together and hire a photographer to take family pictures.
- Christmas — Book your Flight — Based on data and research, this week is the week you should get the best price for your Christmas flights. But, as we know, there are so many variables, so make sure you are monitoring your flight prices and BOOK NOW/SOON to save the most \$\$. My dad (who is about as frugal as they come!) swears by SKYSCANNER to track and find the best airline deals!
- Home — HVAC filters, do you need to order? — It's almost time to change your HVAC filters. Check where you store your extra filters to see if you need to re-order. I HAVE OUR FILTERS ON SUBSCRIBE AND SAVE ON AMAZON SO WE NEVER RUN OUT AND SAVE 15%

additional to-dos —
