*august 13th — august 19th*

- Kids Fall Style — Start shopping for your kids' Fall/Winter clothes to ensure they are ready to enjoy the season.
- Fall Style — Get Inspired — Don't forget yourself (and your partner!) Think about your Fall and Fall transition pieces. What do you need or want to feel great this season?
- Back to School — Make your donation — Make your donation this week. You will be filled with joy in giving back and helping communities that need your support.
- Gifting — September Presents + Cards Haul — Task batching is a game changer! Look through your September calendar and write a list of what and who you are celebrating. Then buy all your presents, cards, and stamps for the month! We promise you'll save time bundling this task and feel much more organized all month!
- Labor Day Weekend — Reserve your table(s) — The best reservations fill up fast, and most open reservations 30 days in advance. This week is also a great time to create an initial packing list + order what you want/need!
