

THE WEEKLY LIST

October 1st — October 7th

- Find The Fun — Master A Spiked Hot Drink** — We can all use an excuse to get together. So invite your favorites to come over for a casual get-together and taste test your new spiked hot drink this Fall — a [SIMPLE, COZY SPIKED APPLE CIDER RECIPE](#).
- Home — Reminder — Fall / Halloween Decorations** — The early bird gets the worm; make sure you purchase your Halloween decorations to get the exact decorations you want! [HALLOWEEN DECORATIONS YOU'LL LOVE YEAR AFTER YEAR](#)
- Find The Fun — Find a Great Scary Movie** — Enjoy researching and picking out THE scary movies you want to watch this year to get into the Halloween Spirit. Picking now (vs. when you sit down to watch) means you won't get frustrated scrolling through all the options for 40 minutes, never finding something you want to watch, and watching some mindless show instead. [THE 40 BEST HALLOWEEN MOVIES TO WATCH THIS OCTOBER](#)
- Halloween — Get inspired 🎃👻** — What to wear to school for the Halloween party (when they can't wear their Halloween costumes)? Check your kid's closets to see what they have. If you have something from last year, make sure it still fits. If you want to pick up something new, browse and get outfit inspiration ideas. [HALLOWEEN-INSPIRED OUTFITS FOR THE KIDDOS](#)
- Halloween — 🧡 Assemble Your Boo Bags** — The fun part! Enjoy assembling boo bags with your kids! If last week go away from you, here are some [CUTE BOO BAG IDEAS!](#)
- Family Portraits — Choose Family Outfits** — Make sure everyone looks their best. Plan what you and yours will wear for the photoshoot. Pick up anything you need!
- Work — Organize a Holiday Work Party — Pick a Venue** — The fun part! Pick a Venue that suits the evening you and your team or you and your company want. The best venues get booked early, so don't sleep on this step!!
- Health — Remember to get YOUR Flu Shot** — Drop into your local pharmacy to get your flu shot. Since the flu vaccine takes about two weeks to provide protection, you and your family should get vaccinated before the flu spreads in your community.
- Home — HVAC filters, do you need to order?** — It's almost time to change your HVAC filter - check where you store your extra filters to see if you need to re-order!
