

# THE WEEKLY LIST

*September 17th — September 23rd*

- Halloween** — Purchase your Halloween costumes — Don't miss out on the perfect costume for your kids or yourself. Act fast and buy your costumes this week to make sure you get what you want before it's too late. We rounded up our favorite **HALLOWEEN COSTUMES FOR LITTLES.**
  
- Find The Fun** — Coordinate Apple Picking — Text friends/family and make the most of the fall by scheduling a fun-filled apple-picking adventure. **BEST TIME TO GO APPLE PICKING**
  
- Home** — Refresh Your Front Porch Planters — It's almost time to refresh your front porch pots! Start to think about what you want to do this year — and if you're planning to order anything (fake pumpkins, bats, skeletons, you name it!), now is a great week to do that.
