

THE WEEKLY LIST

January 21st — January 27th

Valentine's Day

- If you plan to order flowers, booking early is best. This way, you can save money, get the delivery date of your choice, and avoid all the stress of last-minute bookings. We always like to have them delivered a day or two early for the best quality (since it's such a busy time for florists!) and to enjoy leading into Valentine's Day itself.
- Buy Your Kid(s) Valentine Cards
- Buy festive outfits —Make sure your kids are ready to celebrate Valentine's Day with a little pink or red.

Travel

- Summer Vacation— We just entered the window of when to get the best price and accommodation prices for summer travel. Experts say you want to book 3 to 6 months out for domestic travel, and for international flights, book 4 to 8 months out. So enjoy starting to make your plan, track flights, and find a great place to stay!
