

THE WEEKLY LIST

January 28th — February 3rd

Valentine's Day

- Sealed with a kiss — Make sure you order your gift(s), flowers and cards
- Carve out time with your kiddo(s) and put together their valentines so you can enjoy the process versus feeling rushed to assemble them the night before.

Super Bowl

- The Big Game — is only a few weeks away. If you're going to host, invite your guests. If you're keeping it low-key, think of a few festive apps you can make to enjoy while you watch the big game.

Travel

- If you're getting away for winter break, make sure you book your tables and start your packing list

Home Admin

- Start to gather all your tax documents. Plan when you'll prepare your taxes or send them to your accountant
